Co-Chairmen

Chuck Long and **Andy Hogue** co-chair this very important committee. It is also a major understatement to say that this committee has had its hands full in the past few years!

Their committee has overseen several major building, grounds, and property renovations and repairs.

Committee members: Kay Winnett, Jeff Boss, and Preston McDanel

Many thanks go out to these fine folks who have several years of experience among them in project management, construction and building, heating and air, etc. Their tireless hard work has paid huge dividends to all of us who are benefiting from the new facilities and amenities!

If you would like to be involved and / or learn more about how you can be a part of this very busy, but also very rewarding ministry, please call our church office at **843-722-8906**, call Chuck Long at **843-693-6664**, or email us at office@stjohanneschurch.org.
