

Weddings at St. Johannes

St. Johannes has become one of Charleston's premier and most sought-after wedding destinations!

When visitors enter the red doors of St. Johannes Evangelical Lutheran Church they are struck by the beauty of the stained glass windows that line its walls. Designed by the nationally known architect Edward Brickel White, our 1842 church is part of one of Charleston's most picturesque neighborhoods.

St. Johannes is the perfect wedding setting. Gold gilds the altar, and our 1949 Austin pipe organ provides the sound of music. Our congregation welcomes visitors and our wedding policy allows latitude for non-residents who choose Charleston.

The church has long been a part of the Holy City vista. It can be a part of one of the most important days of your life!
